

Truss Show & Plant Sale 2019

Saturday May 11, 2019 from 10 am to 2 pm

Centennial Building, Beban Park

Our annual show of rhododendron trusses and plant sale is held on the Saturday before Mother's Day every year. Members bring trusses for the show which is a great way to show people the wide variety of colours, textures and sizes available. We invite nurseries specializing in rhododendrons and companion plants to our sale, providing members and the public an opportunity to buy plants for their gardens.

Truss Show 2019 Classes

1. **Alpine species** (first, second, third)
2. **Azalea** (truss/spray) (first, second, third)
3. **Blotch/flare hybrid** (first, second, third)
